

## Ambulance Responses

|                  |   |
|------------------|---|
| Description      | This table contains data related to responses by regularly scheduled ambulances. Units that are not ambulances or are deployed on an irregular basis are excluded from this table |
| Data Source      | ATCEMS CAD Data Warehouse   |
| Update Frequency | Monthly   |
| Creation Date    | 16 October 2014   |
| Created By       | Lynn Cohee  |

### Columns

| Column Name                        | Format    | Description  | API Field Name                 |
|------------------------------------|-----------|--|--------------------------------|
| Month Key                          | integer   | Year and month for record in <yyyymm> format (e.g. 201407). This format is useful for sorting records. | month_key                      |
| Month-Year                         | date time | Month and Year being reported.   | month_start_date               |
| Total System Responses             | integer   | Count of all responses by regularly scheduled ATCEMS ambulances  | count_responses_all            |
| Total Austin Responses             | integer   | Count of all responses by regularly scheduled ATCEMS ambulances into the City of Austin.               | count_responses_into_coa       |
| Total Travis County Responses      | integer   | Count of all responses by regularly scheduled ATCEMS ambulances into Travis County.                    | count_responses_into_tc        |
| Combined City and County Responses | integer   | Count of all responses by regularly scheduled ATCEMS ambulances into City of Austin or Travis County.  | count_responses_into_coa_or_tc |
| Other Area Responses               | integer   | Count of all responses by regularly scheduled ATCEMS ambulances outside the ATCEMS service area.       | count_responses_into_other     |

| Column Name                 | Format         | Description  | API Field Name                   |
|-----------------------------|----------------|--|----------------------------------|
| COA Unit Responses into TC  | integer        | Count of responses by ATCEMS ambulances stationed in the City of Austin into Travis County.      | count_responses_into_tc_by_coa   |
| TC Unit Responses into COA  | integer        | Count of responses by ATCEMS ambulances stationed in Travis County into the City of Austin.      | count_responses_into_coa_by_tc   |
| Percent COA Responses by TC | decimal (5, 2) | Percent of responses into the City of Austin performed by ambulances stationed in Travis County. | percent_responses_into_coa_by_tc |
| Percent TC Responses by COA | decimal (5, 2) | Percent of responses into Travis County performed by ambulances stationed in the City of Austin. | percent_responses_into_tc_by_coa |
